Subject: RE: SOA end of Aug 26 Kanmax

Hi Gloria/ Jenny

From KANMAX's perspective, we do not have any other outstanding orders with PT. RPAC PACKAGING INDONESIA, and the remaining unpaid amount is only **USD 22.44**.

The bank charges for processing this payment are already higher than the invoice amount. In addition, if there are any further charges imposed by the local bank, PT. RPAC PACKAGING INDONESIA, may receive even less than the actual invoice amount.

May I check whether there are any ongoing business transactions or payment arrangements between **PTN and PT. RPAC PACKAGING INDONESIA?**

If so, would it be possible for PTN to settle the **KANMAX invoice of USD 22.44** together with any payment that PTN is making to **PT. RPAC PACKAGING INDONESIA?** KANMAX can then reimburse this **USD 22.44** to PTN together with our next CMT payment.

Please let us know if this arrangement would be workable for you.

Thank you for your kind assistance.

Best regards,
yanhua
